

DIAPER DAY TOOL KIT

A coordinator's guide to collect diaper essentials that support families served by The Villages.

1 WHEN

Host your diaper drive for at least a week or longer, so people have time to purchase diapers and drop-off. Make sure the start and end date are clearly communicated.

WHERE 2

Choose a centrally located, high traffic spot or multiple spots for diaper drop-off. Post the "Diaper Drop-off Here" signs included in this kit.

3 GOAL

Set a predetermined, obtainable goal. This is an excellent way to spark participation. Use a goal chart. Create incentives. Make it a competition.

PROMOTE 4

Use social media, newsletters, email announcements, and flyers. See Communication Samples on the next page for easy posts, texts, and emails and use the flyer included in this kit.

COMMUNICATION SAMPLES

Use these samples or create your own social media posts, texts, and emails. Be sure to tag The Villages!

STATS

- A baby requires up to 12 diaper changes per day, at a cost of \$70 to \$80 per month – a cost many families can't afford. Help keep babies dry, safe, and healthy. Donate a package of diapers to the (your drive's) Diaper Drive.
- In 2023, The Villages served over 2000 children under the age of 5, nearly 100% in diapers. Join me in helping give these families a financial break. Drop off a package of diapers at (location) by (date).
- In 2023, 47% of children in foster care were age 4 or under.
- In 2023, 2,209 families were served by our Healthy Families program, with almost 100% having a child in diapers.
- In 2023, 12% of Older Youth Services participants (youth aged out of foster care) had at least one child in diapers.

Join me in helping ease the financial burden on the deserving families served by The Villages. Drop off a box of diapers at (location) by (date).

Help make a difference in a family's life today. Donate to my diaper drive taking place at (location) the week of...

According to the National Diaper Bank Network...

- Children need a minimum of 50 diaper changes per week.
- The average monthly cost of diapers is between \$70 and \$80 per child.
- Federal and state programs (like SNAP or WIC) do not cover diapers. The average household in need falls 29 diapers short each month.
- 3 in 5 parents miss work or school because they cannot afford the diapers needed to leave their baby at childcare.
