Taking place on **Saturday, July 12th**, from 4 to 7 PM, the event is hosted at the stunningly renovated former Indy taxicab company in downtown Indianapolis at the home and garden of Joe and Julie Whitsett. This one-of-a-kind urban oasis offers a rare opportunity to experience one of Indianapolis' most inspiring spaces.

All proceeds from the Garden Soirée benefit The Villages of Indiana, one of the state's largest not-for-profit child and family services agency. Your support helps provide essential resources to children and families, making a meaningful difference in countless lives. Partner with us to celebrate beauty, community, and purpose—while elevating your brand among engaged, philanthropic guests.
